[FYE Orientation](#) | [Contact Us](#)

Summer Jams helps first-time college students with their transition from high school into college. Summer Jams students will participate in 10 days of fun, dynamic activities designed to strengthen reading, writing, math and study skills as an extended orientation to college-level coursework.

Summer Jams is a mandatory summer option for all FYE students who place into pre-college level Math and English courses.

Summer Jams 2015 has concluded for this cohort. Please check back during the Winter 2016 session for information on Summer Jams 2016. We apologize for any inconvenience.
