Responsibilities

Membership:

Faculty and Administrators

Structure/Scope:

The Committee examines policies, provides vision, and develops plans for academic information technology and digital education, and considers other technology matters that fulfill the goals of the college as deemed appropriate by the Senate.

Functions:

A. Takes a leadership role in academic technology planning and makes recommendations to the Senate regarding changes to relevant Board of Trustees' policies and/or Administrative Regulations.

B. Makes recommendations to the Senate regarding information technology and digital education (systems, resources and pedagogy) for academic programs.

C. Advises and collaborates with the academic community on information technology and technology as it relates to instruction including, but not limited to, digital education.

D. Collaborates and coordinates on areas of mutual interest with other Academic Senate committees and constituencies.

E. Requests and prioritizes academic departmental technology needs and forwards its recommendations to the Technology Planning Subcommittee of the District Planning and Advisory Council.
