eCompanion

Lynda.com

eCollegeSM

lynda.com

eCompanion is a tool to develop and deliver a Web based supplement for a face-to-face course. With eCompanion, teachers can use the power of the Internet to make their work easier and better. eCompanion allows you to make lectures available, conduct online practice tests, guide students to Internet resources, share documents and hold class discussions outside of the classroom. Students and instructors can access their eCompanion from any Web browser, anytime, anywhere.

For more information and support, contact distance_ed_inquiry@smc.edu

This self-paced online training is available to all SMC Faculty and Staff which teaches the latest software, creative, and business skills through high-quality online instructional videos featuring recognized industry experts. You may request an account by contacting [Waleed Nasr](#) or at Ext. 4398.

We have a fixed number of licenses that need to be administered to activate an account.

SharePoint

The Santa Monica College website is powered by a Microsoft web application called SharePoint. Listed below are helpful links for SMC users who already have access to the SharePoint platform:
