PROCESS for DISQUALIFIED STUDENTS:

If you were DISQUALIFIED from a previous college, OR were disqualified from Santa Monica College AND have been away from SMC for two consecutive semesters (one year) or longer, you must complete the 'Disqualified Student Petition for Reinstatement', AFTER completing the SMC Online Application.

Step 1: Complete the Online SMC Admissions Application. Click on 'Launch Online Application' above to access the Application.

Step 2: Upon completing your SMC Admissions Application, you will receive an email that includes your SMC Student ID number. You will need your ID number to log-in to Corsair Connect. If you are a returning student, your previous ID number will be reactivated in the system.

Step 3: Log-in to Corsair Connect, under 'SMC Quick Links' click on 'DQ Student Petition'. Complete the petition.

Step 4: Once you complete the DQ Petition, a message will appear with any further instructions.

Final Step: Important: If you were disqualified from another college, you will need to fax a copy of your unofficial, or order official transcripts, from ALL colleges you've attended. The process for petitioning for reinstatement will NOT be complete unless you fax or send your transcripts. Once your previous college transcripts are received by SMC, an SMC counselor will review your DQ Petition and email you a response to your SMC email account via Corsair Connect.

- Fax number: 310-434-4007
- Address to: The SMC Counseling Department, ATTN: Readmission Committee

You are required to send an official copy of your transcripts once you are admitted to SMC. Transcripts must be mailed directly (transcripts issued to you, even if in a sealed envelope, will be considered "unofficial") from your prior college/university.

- Send to: Santa Monica College, ATTN: Admissions, 1900 Pico Blvd., Santa Monica, CA 90405-1628
