

2. Which of the following types of new technologies would benefit your college experience? [select all that apply]

- Recorded lecture for “on-demand” viewing
- E-book with shared notes from instructor
- Interactive textbook
- None of these

3. How important is it to you for SMC to offer these services from a mobile device:
Please select one answer per row.

	Very important	Important	Somewhat Important	Not very important	Not at all Important
Accessing library resources					
Checking grades					
Enrolling in courses					
Accessing Financial Aid information					
Ordering transcripts					
Accessing E-Companion					
Scheduling appointments (e.g. counseling, workshops, health center, etc.)					

4. Which forms of communication do you wish your instructors used more, or less?

	Should use more	About right	Should use less	Don't know
E-mail				
Text-messaging				
Instant-messaging				
Twitter				
Facebook				
Phone				
Face-to-Face (in person)				
Online audio/video (e.g. Skype, Google Hangout, etc.)				
E-Companion				

5a. Thinking about the classes you have taken at Santa Monica College in the last year, to what extent did you use each of the following resources in your coursework?

	Not used in any class	Used only in 1-2 classes	Used in about half of my classes	Used in all of my classes
E-Companion (Online course management)				
E-books or e-textbooks				
Free external course content (e.g. iTunes University, Khan Academy, OpenCourseWare, etc.)				
Integrated use of my iPad or tablet during class				
Integrated use of my smartphone during class				
Integrated use of my laptop during class				

5b. Thinking about the classes you have taken at Santa Monica College in the last year, please rate whether you wish each of these resources was used more or less in your coursework.

	Should use more	About right	Should use less	Don't know
E-Companion (Online course management)				
E-books or e-textbooks				
Free external course content (e.g. iTunes University, Khan Academy, OpenCourseWare, etc.)				
Integrated use of my iPad or tablet during class				
Integrated use of my smartphone during class				
Integrated use of my laptop during class				

6. Please rate the extent to which you agree with the following statements:

	Strongly agree	Agree	Some-what agree	Some-what disagree	Disagree	Strongly Disagree	Don't know
I was prepared to use technology in my courses when I <u>first enrolled at SMC</u> .							
I am more engaged in courses that use technology.							
By the time I graduate, the technology I have used in my courses will have adequately prepared me for the workplace.							
I skip classes when the materials from course lectures are available online.							
Technology makes me feel connected to what's going on at SMC.							
Technology better prepares me for future educational plans (transferring							

to a 4-year college, getting into graduate school, etc.)							
Technology makes me feel connected to other SMC students.							
Technology makes me feel connected to SMC professors.							
Using mobile devices in the classroom enhances my ability to learn.							

7. Are you currently taking courses at another college or university?

Yes

No

7a. [triggered by "yes" in 7]

Are your classes at this other college or university ...

Online only

A mix of online and on-ground/in-person classes

On-ground/in-person only
