Subject: Spring 2016 Technology Workshops - Student Success Committee

Sent on behalf of Roberto Gonzalez, Maribel Lopez, and Keith Graziadei, Student Success Committee members.

Dear Colleagues,

The Student Success Committee is offering a series of workshops on using technology in the classroom. These workshops will provide information, tools, and resources to help faculty utilize technology more effectively in their courses. Please see below for a list of the workshops. Space is limited, so please RSVP directly to the presenters to register for the workshops.
