

ARTICLE 2500: INFORMATION TECHNOLOGY

BP 2510 Information Technology Mission Statement

The Information Technology mission, in academic and instructional computing, administrative information systems, multimedia support, network services and telecommunications, shall be designed to support institutional goals and objectives as adopted by the Board of Trustees.

BP 2511 Information Management and Network Programming

The function of Information Management and network programming is to provide administration and all college departments with data and technology needs critical for their operation and function at the college.

BP 2512 Computer Use by Staff and Students

Employees and students who use District computers and networks and the information they contain, and related resources have a responsibility not to abuse those resources and to respect the rights of others. Administrative Regulation 2515 provides guidelines to students and staff for the appropriate use of information technologies.
