High School Recruitment Awards

These awards are for graduating high school students only. They have been created to encourage highly motivated students with severe financial need to start their college education at Santa Monica College. Counseling and placement are also provided. It is hoped we will attract and retain underrepresented minority students with these awards. **All incoming high school students must be enrolled at SMC in the fall and spring semester and complete 12 SMC units each semester;** and follow the guidelines and policies set by the College and the SMC Foundation Office.
