# Additional Materials

## Selection Process

The selection process shall include the following steps:

- (a) A screening/evaluation committee will review application materials to determine minimum qualifications for the position are met;
- (b) A pool of qualifying candidates will be invited to an initial interview with the selection committee at the Santa Monica Community College District's main campus or one of its satellite campuses;
- (c) Upon completion of initial interview process, the selection committee will recommend candidates for final interview with the Superintendent/President who will recommend a candidate for appointment by the Board of Trustees.

Applicants will be notified by letter of their status as the committee progresses through the hiring process. Candidates who are selected for a final interview with the Superintendent/President should not expect official notification of the status of candidacy until the Board of Trustees has acted upon the Superintendent/President's recommendation.

All travel costs related to an initial interview will be borne by the candidate. Only ½ of the airfare cost to the Superintendent/President's interview will be borne by the college.

The Santa Monica Community College District reserves the right to contact the current or most recent employer of any candidate and to investigate past employment records.

The Santa Monica Community College District reserves the right to re-advertise the position or to delay filling the position indefinitely if it is deemed that applicants for the position do not constitute an adequate applicant pool.

Accommodation: Candidates with legally defined disabilities may request reasonable accommodation in the interview and the selection process by notifying the Office of Human Resources by the deadline date. Candidates may be required to supply documentation supporting the need for the accommodation when the request is made.

## Our Vision, Mission & Goals

Santa Monica College: Changing Lives Through Excellence In Education

**Vision** -Santa Monica College will be a leader and innovator in learning and achievement. As a community committed to open dialog and the free exchange of ideas, Santa Monica College will foster its core values: knowledge, intellectual inquiry, research-based planning and evaluation, academic integrity, ethical behavior, democratic processes, communication and collegiality, global awareness, and sustainability.

**Mission** -Santa Monica College provides a safe and inclusive learning environment that encourages personal and intellectual exploration, and challenges and supports students in achieving their educational goals. Students learn to contribute to the global community as they develop an understanding of their relationship to diverse social, cultural, political, economic, technological, and natural environments. The College recognizes the critical importance of each individual's contribution to the achievement of this mission.

Santa Monica College provides open and affordable access to high quality associate degree and certificate of achievement programs and participates in partnerships with other colleges and universities to facilitate access to baccalaureate and higher degrees. The College's programs and services assist students in the development of skills needed to succeed in college, prepare students for careers and transfer, and nurture a lifetime commitment to learning.

**Goals** -To fulfill this mission, Santa Monica College has identified the following Institutional Learning Outcomes and supporting goals.

Santa Monica College students will:

- Acquire the self-confidence and self-discipline to pursue their intellectual curiosities with integrity in both their personal and professional lives
- Obtain the knowledge and skills necessary to access, evaluate, and interpret ideas, images, and information critically in order to communicate effectively, reach conclusions, and solve problems.
- Respect the inter-relatedness of the global human environment, engage with diverse peoples, and acknowledge the significance of their daily actions relative to broader issues and events.
- Assume responsibility for their own impact on the earth by living a sustainable and ethical lifestyle.
- Students will demonstrate a level of engagement in the subject matter that enables and motivates the integration of acquired knowledge and skills beyond the classroom.

## Conditions of Employment

Appointment subject to verification of official transcripts, current or previous employment, tuberculosis exam, and fingerprint clearance. Selected candidate must provide identification and work authorization.
