- Duties of Technology Planning Subcommittee

Develop the annual Master Plan for Technology for submission to the District Planning and Advisory Council.

Review technology planning issues respective to Budget, Human Resources, Facilities, Student Services, and Instruction.

Focus on technology integration and communication with other college planning areas.

Recommend campus-wide technology solutions and provide ongoing support for the maintenance of the Master Plan for Technology.

Approved: 4/27/05; Revised 6/05, 8/06, 7/07, 1/10, 10/13, 8/14

Self-Evaluation presented to DPAC: In Progress. Recommendations: None
