Subject: Equity Speaks/Research Roundtable Discussion Event: Discussion of the Student Racial Climate Survey
Date: Friday, October 16, 2020 11:34:08 AM

Sent on Behalf of the Equity Steering Committee and the Office of Institutional Research

Please join us for our Fall 2020 Equity Speaks/Research Roundtable event focused on discussing SMC's results on the student racial climate survey ([National Assessment of Collegiate Campus Climates](#)). The 1.5 hour discussion will include a brief presentation summarizing the findings of the survey and engage participants in an information discussion of the data. All members of the SMC community are invited to participate.

Date: **Thursday, November 12**

Time: **2:00 – 3:30 pm**

Location: **Zoom, register [here](#)**

Link to data: <https://www.smc.edu/administration/institutional-research/documents/SMC-NACCC-Fall-2019-Results-by-Race.pdf>

Note: Registrants will receive a report providing a narrative summary of the findings at the end of October. This report will be posted on the IR website in the beginning of November.
