

Associate Degree General Education Requirements 2021-2022

Graduation from Santa Monica College with an Associate degree is granted upon successful completion of a program of study of a minimum of **60 degree applicable semester units with an overall average grade of C (2.0) or higher**. The requirements for the majors are listed on separate sheets available in the General Counseling and Transfer Services Center as well as online at smc.edu/articulation.

All Associate degree coursework (*including appropriate upper division, graduate, and professional work*) that is completed at a regionally accredited college or university is normally allowed provided it meets or exceeds SMC graduation guidelines. If a college is newly regionally accredited, all work completed in that institution in the two years before its regional accreditation will be accepted.

To earn an Associate degree from Santa Monica College, the student must complete a minimum of 60 semester units with a C grade or higher to include: Major/area of emphasis and Global Citizenship and either SMC GE, CSU GE, or IGETC. Students intending to transfer to a 4-year institution should follow either the IGETC or CSU GE requirements. Consult a counselor for advice.

At least 50% of the units for the area of emphasis (major) must be completed at Santa Monica College.

Each course in the area of emphasis (major) must be completed with a grade of C or higher.

Global Citizenship courses are marked as **bold with ^{GC} text**.

NON-REGIONALLY ACCREDITED SCHOOLS

Under specific circumstances, students may transfer up to 15 semester units of credit from a non-regionally accredited school to Santa Monica College. Please see Administrative Regulation (AR) 4000 (page 75) http://www.smc.edu/ACG/Documents/Administrative_Regulations/AR_4000_StudentServices.pdf

ASSOCIATE DEGREES FOR TRANSFER TO THE CSU (ADT)

The Associate in Arts for Transfer (AA-T) or the Associate in Science for Transfer (AS-T) are designed to facilitate transfer admission to a CSU in a similar major. If you are considering transfer to a UC, private, or out-of-state school, consult a counselor regarding the transfer requirements of that institution.

NOTE: Students pursuing an Associate in Arts for Transfer (AA-T) or Associate in Science for Transfer (AS-T) to the California State University system are exempt from the Global Citizenship requirement and must complete IGETC or CSU GE to fulfill the general education requirements for the ADT.

The following is required for all ADT degrees for transfer to the California State University system:

- completion of at least 60 CSU-transferable semester including:

- completion of either CSU GE or IGETC; students transferring to CSU using IGETC must complete Area 1C (see smc.edu/articulation or visit the General Counseling and Transfer Services Center)
- a minimum of 12 degree applicable semester units completed at SMC
- a minimum overall GPA of 2.0 in all CSU-transferable units

Note: while a minimum GPA of 2.0 is required for admission to a CSU, some majors/campuses may require a higher GPA. Please consult a counselor for details.

COURSE LIMITATIONS

Basic Skills courses may NOT be applied toward the degree.

Students may apply as elective units towards any Certificate or degree up to 6 (six) units of Independent Study credit.

Students may apply as elective units towards any Certificate or degree up to 8 (eight) units of Cooperative Work Experience/Internship credit.

FOREIGN COURSEWORK

Students who have satisfactorily completed courses from a foreign nation's appropriately accredited university may be able to apply the course credits toward a degree at Santa Monica College. Students should consult a counselor BEFORE requesting to have credits evaluated, because the time it takes to evaluate a large number of units can delay enrollment. Courses must first be evaluated by an approved credential evaluation agency, and then reviewed by the Santa Monica College Admissions Office. Some courses also require approval by the department chair. Once courses are approved, their credit(s) may then be transferred to Santa Monica College.

To have foreign coursework credits evaluated, students should contact one of the approved credential evaluation agencies listed below and request a detailed equivalency report that indicates-for each course, its US semester equivalency, and the grade the student earned:

ACADEMIC REQUIREMENTS

A minimum of a 2.0 (C) grade point average, based on all units attempted, is required. Please see the Academic and Progress Renewal policies and the Course Repetition and Re-Enrollment policies in the Santa Monica College catalog for information on possible improvement of grade point average (GPA).

DEAN'S HONOR LIST

A student's transcript will be annotated with the designation "Dean's Honor List" if the student completes 12 or more graded units in the Fall or Spring semester at Santa Monica College with a 3.0 grade point average or higher.

HONORS AT GRADUATION

Students who have consistently demonstrated outstanding academic excellence while attending Santa Monica College will be recognized at graduation and their transcripts annotated with the appropriate honors recognition, provided the students have met the applicable criteria and are in good academic standing (i.e., not on academic or progress probation) at the time of graduation.

Students who have been suspended from the college are ineligible to receive honors at graduation, regardless of grade point average attained.

A student's cumulative grade point average must match the narrow range specified below for the student to be awarded one of the following honors with the degree:

- i. Attainment of a cumulative GPA of 4.0 (*including coursework from other colleges*);
- ii. Completion of a minimum of 12 units of coursework while attending Santa Monica College;

*Catalog rights dictate that a student may satisfy the requirements of a degree or certificate by completing the general education and major/area of emphasis requirements in effect at any time of their continuous enrollment. Continuous enrollment means attendance in at least one semester (Fall or Spring) in each academic year.

A "Petition for Graduation" must be submitted to the Admissions Office for approval during the semester in which the student expects to complete the requirements for graduation (*see "No. 4" below*).
