Santa Monica College > Administration > Human Resources > Professional Development

Santa Monica College Professional Development's goal is to provide training and professional guidance to strengthen and support a dynamic learning and working environment in alignment with SMC core values of intellectual inquiry, research-based planning and evaluation, democratic processes, communication and collegiality, global awareness, and sustainability.

Mission

In support of the [Master Plan for Education](#), the mission of Santa Monica College's Professional Development is to strengthen and support a dynamic learning and working environment enriched by diversity that promotes personal, professional, and organizational development for all employees.
