## About Us

Pico Partnership program is a joint partnership between Santa Monica College and the City of Santa Monica. The program is designed to meet the needs of the under-resourced youth living in close proximity to the college. The program assists and motivates young residents of the Pico neighborhood to pursue postsecondary activities leading to degrees, certificates, transfer to a 4-year university, and/or employment.

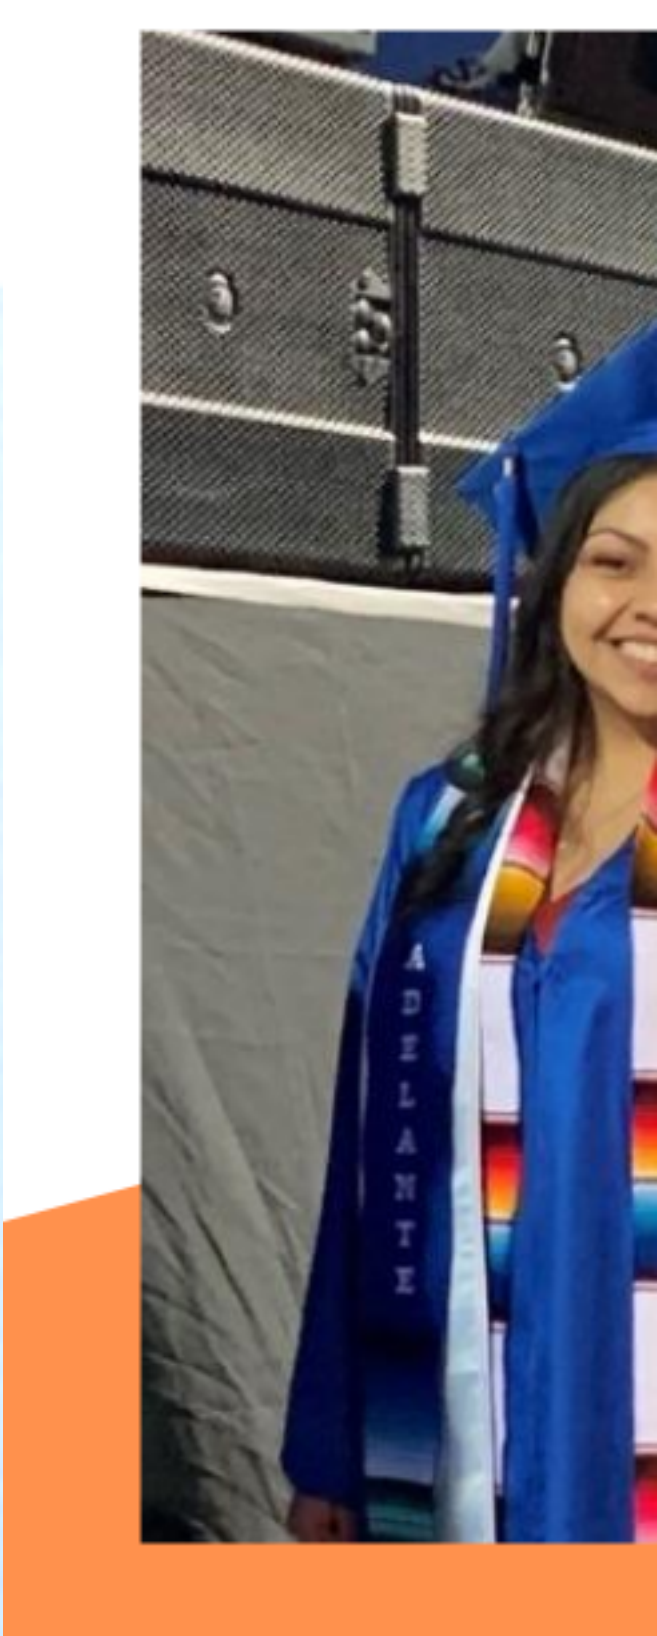

About Pico Partnership

"Pico Partnership has helped me so much throughout my time at SMC. The counselors and staff became my support system! They were always there to answer my questions and help me receive book vouchers. Shout out to Gabriela Corona for being an amazing counselor."
