Exploring Equity and Diversity Series

The SMC community has been engaged in important conversations about diversity, inclusion, equity and equality. This interactive webinar series will explore various topics related to:

- Becoming part of the solution to harassment & discrimination
- Recognizing unconscious bias and doing something about it
- What is "abusive conduct" and when does it become unlawful?
- How to safely intervene and stop harassment as it's happening
- How to appreciate and leverage our diverse community at SMC!

There's Somethin' Going On Here! Getting Clear About What it is—Title 5 and Civil Rights!

Understand the Unseen and Unheard - Stereotyping and Unconscious Bias

Become the Strongest Ally - Bystander Intervention

Expanding Your Worldview - Appreciating Cultural Differences

Leveraging the Super-Charging Effects of Inclusivity

Participants who successfully complete this 5-part series will receive the Office of Human Resources Certificate of Completion.
