

# Professional Development Committee

Develops, coordinates, supports, and monitors the institutional and individual non-sabbatical professional development activities of faculty. To further collegiality and make good use of resources, this committee coordinates with both classified and administrative professional development committees.

## Faculty Professional Development Funding

### Guidelines for Professional Development Conference Request for Faculty

#### Information

- **PDC Conference Request Applications are accepted for in-person and virtual funding opportunities**
- Full-time and adjunct faculty may apply for PDC Conference Requests.
- To ensure a greater distribution of funds, SMC faculty are eligible to apply once per academic year for up to \$1,000.00 of professional development funding for conferences or other professional development activities.
- Funds will be allotted on a first-come, first served basis. Once the PDC Conference Request funds are depleted, applications will not be accepted until the next fiscal year.
