Student and Visitor Incident/Accident Report Form

Reporting Guidelines

Anytime a non-employee (student or visitor) claims an injury on University owned property an Incident/Accident report should be completed.

This form should be completed at the time of the incident or as soon as possible, preferably within 24 hours of the incident. A copy of the completed form should be sent to Safety and Risk Management by the reporting department, with the original kept with the department for their records. Answers should be as complete and as detailed as possible without speculation.

Description details could include: type of surface, condition of surface, weather conditions, lighting conditions, condition of student/visitor prior to incident if known, comments made by the student or guest; names, addresses, telephone number of witnesses; and other factors (clothing issues, contributing actions of others, loose objects).
