Review Minutes from September 13, 2011

Agenda Items:

1. Detailed discussion about the Bundy Building and what CTE programs want included for the new building. Will need this information to present to the Board of Trustees. **please see bottom for a list of things we have discussed over the last few months.
2. Tentative dates for CTE Website completion, presentation to counseling department, and other departments on campus to keep the CTE programs prominent on the campus
3. Further discussion on how funds could be re-allocated should departments not use them as well as what date the money would be available.
4. Discussed having CTE representation in the Faculty Association. Is anyone currently on FA?
5. Applications for Perkins for 2012-2013 updates if any

Next Meeting – Tuesday, October 11, 12:45 – 2:00 p.m.

**List of what CTE programs want to see in the new building

- Spaces that can be shared by departments (ex: labs, library, tutoring center, study rooms)
- Technologically current smart classrooms, wireless internet throughout, student services (ex: counseling)
- Food vendor, and late hours of services for students (ex: copiers)
- Room for CTE program growth - Programs that could be in new building:
 - Automotive Technology program from Santa Monica High
 - Lab school for Pre-School for the ECE program
 - Medical Lab Technician program
 - Physical Therapy Assistant program
 - Through SMC Earth Sciences Sustainable Technologies Program to add to the existing programs of Photovoltaic Installation, Design, Sales and Recycling and Resource Management

- Landscape Efficiency Technician
- Logistics
- Renewable Energies Technician
- Energy Efficiency Auditor
- Sustainable Business Consultant
