

Feedback from and changes made at last working meeting on meta-majors

Programs that were proposed for a particular bucket in the draft remained in that bucket based on consensus of those present with the exception of the programs below.

The moves highlighted in BOLD below are considered DONE.

The questions not highlighted remain “open questions”. If the answer to the question is “No”, then the program would stay in its current placement. We need departmental answers by Friday, Nov 2nd.

Program	Current Placement	Notes
WEBSITE SOFTWARE SPECIALIST, AS / CoA	PINK	move to BLUE?
MEDICAL ADMINISTRATIVE ASSISTANT, AS / CoA	PINK	moved from WHITE to PINK
GEOGRAPHY, AA-T	GREEN	moved from YELLOW to GREEN
