B. Definitions

For the purposes of this policy, Santa Monica Community College District (hereinafter "Santa Monica College" or "College") has used the following definitions of terms:

1. "*Student*" means any person who attends or has attended Santa Monica College. The word "attend" includes, but is not limited to, attendance in person or by paper correspondence, videoconference, satellite, Internet, or other electronic information and telecommunications technologies for students who are not physically present in the classroom.

- iii. Records made or maintained by a physician, psychiatrist, psychologist, or other recognized professional or paraprofessional acting in his or her professional capacity or assisting in a paraprofessional capacity which are made, maintained, or used only in connection with treatment of the student and disclosed only to individuals providing the treatment. For the purpose of this definition, “treatment” does not include remedial educational activities or activities that are part of the program of instruction at the agency or institution;
 - iv. Records maintained by Santa Monica College if (a) the records are maintained solely for law enforcement purposes, (b) are revealed only to law enforcement agencies of the same jurisdiction, and (c) the office holding these records does not have access to education records maintained by the College.
 - v. Alumni records which contain information about a student after he or she is no longer in attendance at the College and which do not relate to the person as a student.
 - vi. Grades on peer-graded papers before they are collected and recorded by a teacher.
4. “*School Official*” means:
- i. A person employed by the District in an administrative, supervisory, academic, research or support staff position.

- School officials who use student education record information to serve their own personal needs or for purposes which are not related to their job responsibilities do not have a legitimate education interest in the information being used.
6. “*Personally Identifiable Information*” includes, but is not limited to--
- i. the student's name;
 - ii. the name of the student's parent or other family members;
 - iii. the address of the student or student's family;

 - v. other indirect identifiers, such as the student's date of birth, place of birth, and mother's maiden name;
 - vi. other information that, alone or in combination, is linked or linkable to a specific student that would allow a reasonable person in the school community, who does not have personal knowledge of the relevant circumstances, to identify the student with reasonable certainty;
 - vii. information requested by a person who the educational agency or institution reasonably believes knows the identity of the student to whom the education record relates; or
 - viii. email address.

C. Annual Notification

Students will be notified of their rights under FERPA and State law annually by publication in the Santa Monica College Catalog. The catalog is available on the College's website.

D. Procedure to Inspect Educational Records

1. Students may inspect and review their education records upon request to the appropriate record custodian. Students should submit to the record custodian or an appropriate College staff person a written request which identifies as precisely as possible the record or records he or she wishes to inspect. (Forms for this request are available in the Admissions and Records Office.)
2. The record custodian or an appropriate College staff person will make the needed arrangements for access as promptly as possible and notify the student of the time and place where the records may be inspected. Access must be given in 15 work days or less from the receipt of the request. [Note: FERPA requires that access be provided with 45 days; however, state law requires that access be provided within 15 days.]
3. When a record contains information about more than one student, the student may inspect and review only the records which relate to him/her.

E. Right to Refuse Access

Santa Monica College reserves the right to refuse to permit a student to inspect the following records:

1. The financial state of the student's parents.
2. Letters and statements of recommendation for which the student has waived his or her right of access or which were placed in file before January 1, 1975.
3. Records connected with an application to attend Santa Monica College if the application was denied.
4. Those records which are excluded from the FERPA definition of education records. The records will be made available if required by State law.

F. Refusal to Provide Copies

Santa Monica College reserves the right to deny copies of records not required to be made available by the FERPA or State law in any of the following situations:

1. The student has an unpaid financial obligation to the College.
2. There is an unresolved disciplinary action against the student.

G. Fee for Copies of Records

The fee for copies will be \$0.20 per page.

The fees charged to students for transcripts are:

1. \$5 for an official transcript, with the first two free for currently enrolled students
2. \$10 service charge in addition to the transcript fee for a "Rush" transcript.
3. A student may obtain an unofficial copy of his/her transcript at no charge from the SMC Website.

H. Disclosure of Education Records

Santa Monica College will disclose information from a student's education records only with the written consent of the student, except as set forth below. The College may disclose information without student consent as follows:

1. To officials and employees of Santa Monica College, if that person has a legitimate educational interest to inspect a record.
2. To authorized representatives of the Comptroller General of the United States, the Secretary of Health, Education, and Welfare, an administrative head of an education agency, state education officials, or their respective designees or the United States Office of Civil Rights, where that information is necessary to audit or evaluate a state or federally supported education program or pursuant to a federal or state law, except that when the collection of personally identifiable information is specifically authorized by federal law, any data collected by those officials shall be protected in a manner that will not permit the personal identification of students or their parents by other than those officials, and any personally identifiable data shall be destroyed when no longer needed for that audit, evaluation, and enforcement of federal legal requirements.
3. To other state and local officials or authorities to the extent that information is specifically required to be reported pursuant to state law adopted prior to November 19, 1974.

4. To officials of other public or private schools or school systems, including local, county, or state correctional facilities where educational programs are provided, where the student seeks or intends to enroll, or is directed to enroll.
5. To agencies or organizations in connection with a student's application for, or receipt of, financial aid, provided that information permitting the personal identification of students may be disclosed only as may be necessary for those purposes as to determine the eligibility of the student for financial aid, to determine the amount of the financial aid, to determine the conditions that will be imposed regarding the financial aid, or to enforce the terms or conditions of the financial aid.
6. To accrediting organizations in order to carry out their accrediting functions.
7. To organizations conducting studies for, or on behalf of, educational agencies or institutions for the purpose of developing, validating, or administering predictive tests, administering student aid programs, and improving instruction, if those studies are conducted in such a manner as will not permit the personal identification of students or their parents by persons other than representatives of those organizations and the information will be destroyed when no longer needed for the purpose for which it is conducted.
8. To appropriate persons in connection with an emergency if the knowledge of that information is necessary to protect the health or safety of a student or other persons, or subject to any regulations issued by the Secretary of Health, Education, and Welfare.
9. To the alleged victim of any sexual assault or physical abuse, including rape, forced sodomy, forced oral copulation, rape by a foreign object, sexual battery, or threat or assault, or any conduct that threatens the health and safety of the alleged victim, which is the basis of any disciplinary action taken by a community college, shall be permitted access to that information. Access to student record information shall be in the form of notice of the results of any disciplinary action by the community college and the results of any appeal, which shall be provided to the alleged victim within three days following that disciplinary action or appeal. The alleged victim shall keep the results of that disciplinary action and appeal confidential.
10. In compliance with a court order or a lawfully issued subpoena. The College shall make a reasonable effort to notify the student in advance of compliance with a lawfully issued subpoena and, in the case of compliance with a court order, if lawfully possible within the requirements of the order. This notification shall take place using a standard form approved by the FERPA Compliance Officer.

I. Record of Requests for Disclosure

Santa Monica College will maintain a record of all requests for and/or disclosure of information from a student's education records for the appropriate record retention period. The record will indicate the name of the party making the request, any additional party to whom it may be redisclosed, and the legitimate interest the party had in requesting or obtaining the information. The record may be reviewed by the eligible student.

Personal information may be transferred to a third party only on the condition that such party will not permit access by any other party without the written consent of the student. (As an example, information released to agencies for auditing purposes or for improving instruction.) In such cases, Santa Monica College will issue the following statement to accompany records released: "All student education records will be destroyed when they are no longer needed for implementation of the study. K. Correction of Education Records

1. Any student may file a written request with the Superintendent/President to correct or remove information recorded in his or her student records which the student alleges to be: (1) inaccurate; (2) an unsubstantiated personal conclusion or inference; (3) a conclusion or inference outside of the observer's area of competence; or (4) not based on the personal observation of a named person with the time and place of the observation noted.
2. Within 30 days of receipt of the request, the Superintendent/President, or his or her designee, shall meet with the student and the employee who recorded the information in question, if any, if the employee is presently employed by the community college district. The Superintendent/President or his or her designee shall then sustain or deny the allegations.
3. If the Superintendent/President, or his or her designee, sustains any or all of the allegations, he or she shall order the correction or removal and destruction of the information.
4. If the Superintendent/President, or his or her designee, denies any or all of the allegations and refuses to order the correction or removal of the information, the student, within 30 days of the refusal, may appeal the decision in writing to the Board of Trustees.
5. Within 30 days of receipt of an appeal, the Board of Trustees shall, in closed session with the student and the employee who recorded the information in question, if any, and if that employee is presently employed by the community college district, determine whether to sustain or deny the allegations.
6. If the governing board sustains any or all of the allegations, it shall order the chief administrative officer, or his or her designee, to immediately correct or remove and destroy the information.
7. The decision of the governing board shall be final.
8. Records of these administrative proceedings shall be maintained in a confidential manner and shall be destroyed one year after the decision of the governing board unless the student initiates legal proceedings relative to the disputed information within the prescribed period.
9. If the final decision of the governing board is unfavorable to the student or if the student accepts an unfavorable decision by the chief administrative officer, the student shall have the right to submit a written statement of his or her objections to the information. This statement shall become a part of the student's record until the information objected to is corrected or removed.

L. Subpoenas.

Each office that routinely receives subpoenas for student records shall have a written policy on compliance with subpoenas. The written policy shall be approved by the FERPA Compliance Office. Any out of the ordinary subpoenas for student records shall be referred to Campus Counsel for review prior to release of the records.

M. Deceased Students

The privacy rights of an individual expire with that individual's death. Records held by an institution for a deceased person do not raise a FERPA issue but are a matter of institutional policy. The College will exercise its own discretion in deciding whether, and under what conditions, information should be disclosed to survivors or third parties.

N. Training for Employees.

All faculty and staff, as well as any other agents of the college who request access to student academic records, must complete the FERPA tutorial and submit a signed acknowledgment form. Access to student records, including the academic records database, will be denied until the tutorial has been completed and the form submitted. The tutorial is intended to insure that anyone accessing student records understands the obligations under FERPA for proper use and protection of student records. All questions in the tutorial are supported by information found on the College's FERPA website. This requirement shall become effective on July 1, 2010, to allow faculty, staff, and other agents of the college a reasonable time to complete the FERPA tutorial. The training shall include answers to common questions concerning FERPA compliance issues, including, but not limited to, issues related to (a) use of student email addresses, (b) distance education classes; (c) online discussion groups; (d) rights of parents, if any, when student is a minor; and (e) procedures and forms for responding to requests for records.

AR 4310.1 Incomplete Grades

Incomplete grades in a course or courses may be approved when illness, accident, emergency, or special circumstances beyond the student's control prevents the student from taking the final examination or completing other immediate "end of semester" course requirements. The student must be passing the class with a "C" or better prior to the final exam or final project. The Incomplete grade is not to be used to extend deadlines for coursework which the student might reasonably be expected to meet.

To assign an incomplete ("I"), the Instructor of Record must fill out the online request during the submission of final grades if he or she believes that such an approval is appropriate and that the student has justifiable reasons to warrant the Incomplete grade. Instructors may require documentation that supports the student's request. Instructors are not required to grant Incompletes, and such decisions by the instructor are final and may not be appealed by the student.

The instructor will determine the date by which the "I" must be completed; this date shall be no later than one year from the end of the term in which the original grade was assigned. The instructor shall record in the online grade roster the conditions necessary for the removal of the "I" and the grade to be assigned (A through F) if the conditions are not met. The student and instructor will both receive copies of said conditions.

Incomplete grades will count in "Units Enrolled" but will not be included in "Units Attempted" or "Units Completed" and no grade points will be assigned.
