

AR 4000 Catalog Rights (new AR#)

❖ From current SMC AR 4351 Catalog Rights (old AR #)

For the purposes of this section, “continuous enrollment” means attendance in at least one semester in each calendar year.

For purposes of meeting graduation requirements, a student may elect to meet the requirements by either following catalog rights:

- (1) at the time the student began such continuous enrollment or
- (2) at the time of graduation.

Catalog rights dictate that a student may satisfy the requirements of a degree or certificate by completing the general education and major/area of emphasis requirements in effect at any time of their continuous enrollment. ~~Continuous enrollment is defined as enrollment in consecutive Fall and Spring semesters until completion.~~

Students who leave SMC to attend another accredited institution may petition for special consideration to maintain catalog rights for the purpose of earning a degree or certificate, if the absence does not exceed two years.

A student is entitled to receive a degree or certificate **of achievement** provided the student has met all degree or certificate requirements consistent with catalog rights. Santa Monica College will post the degree or certificate to the student’s transcript based on the applicable catalog year rights and report to the California Community Colleges Chancellor’s Office on the term it is granted.
