

## **AR 4000 Catalog Rights (new AR#)**

### **❖ From current SMC AR 4351 Catalog Rights (old AR #)**

Catalog rights dictate that a student may satisfy the requirements of a degree or certificate by completing the general education and major/area of emphasis requirements in effect at any time of their continuous enrollment. Continuous enrollment is defined as enrollment in consecutive Fall and Spring semesters until completion.

A student is entitled to receive a degree or certificate of achievement provided the student has met all degree or certificate requirements consistent with catalog rights. Santa Monica College will post the degree or certificate to the student's transcript based on the applicable catalog year rights and report to the California Community Colleges Chancellor's Office on the term it is granted.
