

Student Survey for Improving Interventions to Assist Students (Fall 2021)

The SMC Counseling Department is conducting a survey to assist us in improving our efforts in serving the needs of our students. Please take a minute to answer the quick survey attached.

We would very much appreciate if you could rank what you feel would/could have made a difference in your educational path. The ranking is from low importance (1) to high importance (5).

The counseling department will make intentional efforts to reach out in ways that students feel are of highest priority. Your response is most appreciated.
