

Student Affairs Committee

Scope:

The Committee evaluates and updates all administrative regulations concerning student affairs, including but not limited to admissions and registration, student progress and graduation, student conduct, student activities, counseling, and financial aid.

Functions:

- Develops and revises administrative regulations. Ensure that new or revised changes to administrative regulations are in compliance with Title 5 and California Education Codes.
- When appropriate, review district board policy relevant to Student Affairs administrative regulations and may recommend changes.
- Interfaces with any senate committee that addresses student affairs.

Revised: 10/2/19; 9/25/24
