
Professional Development Committee Meeting

Minutes

Location: Online meeting
Date: June 1, 2021
Time: 2:30pm – 4:15pm

Call to order at 2:35 p.m.

Who was in attendance: Jessica Krug, Lea Hald, Nick Fox, Brian Rodas, Cyrus Fernandez, Aaron Delatorre, Estela Ruezga, Marissa Moreno. Guests: Erin Cue and Chanté DeLoach.

Discussion topics:

- Erin Cue presented her plans for a workshop for incoming faculty. We approved that workshop for Fall PD day.
- We discussed the EGC kickoff with Chanté DeLoach. It was decided that there would be a general overview session for all faculty to attend followed by a first cohort only session. We will need to ensure that people who do not attend the first cohort have particularly interesting programming during that time.
- We discussed the fact that we would be moving the program online again and decided what changes we needed to make to the program we already had planned. Main changes involve lunch and the kudos/retirement plan is no longer on the table.
- Lea will reach out to NCORE participants and participants in other equity PD to volunteer for share outs “this is how we do it” workshops. Although we hoped originally that this would include a Classified Educators, the schedule with EGC & Dr. Gunn looks like we will have only Faculty for the share outs this time.
- Lea will reach out to Dr. Lane about having a session.
- We will reach out to schedule a meeting with Dr. Jeffery to discuss plans so far.
