

# META Public Search

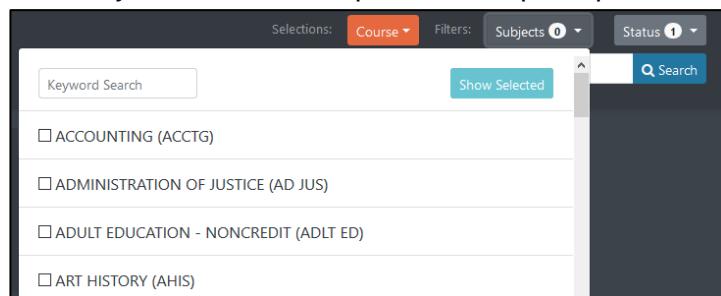

To search for a course or program, go to the homepage of META: <https://santamonica.curricunet.com/>

In the upper right hand side of the screen is the search menu:

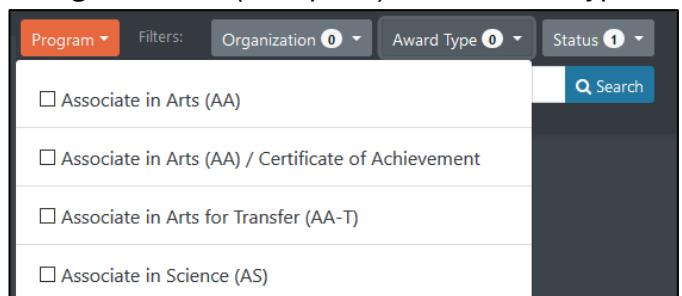

- Click on the “Curriculum Type” menu, and select either “Course” or “Program”

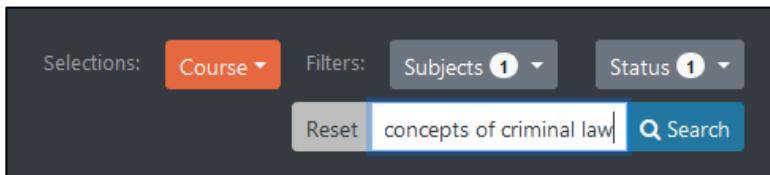

For “Course” an additional menu will appear for “Subject” to select a specific discipline prefix:

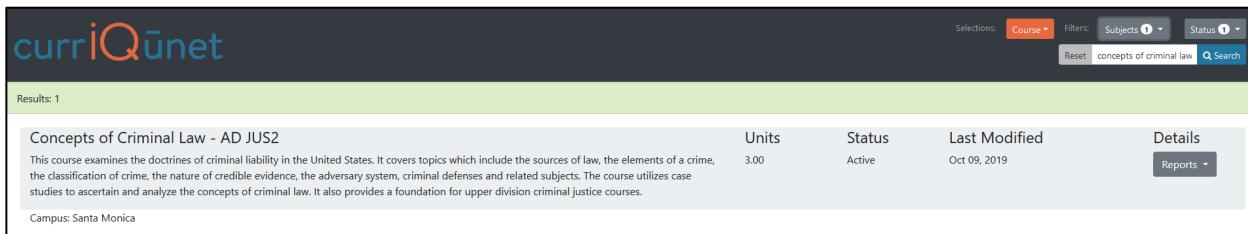

For “Program” additional menus will open for “Organization” (discipline), and “Award Type”:

To filter results further, you can also type in keywords:

Once you’ve entered all filters, click “Search”

To clear all filters set, click the “Reset” button to the left of the “Keyword Search” box.

## **Please note:**

Any misspellings, non-exact phrasing, or conflicting filters will cause incorrect results:

- Ex: if you’re looking for “Concepts of Criminal Law”, but search “Law Concepts”, 0 results will appear
- Ex: if you’re looking for “Administration of Justice AS-T” but add filters for “Administration of Justice” and program type “AA”, 0 results will appear

If a course or program doesn’t appear, please email the [Curriculum Specialist](#) with the name of the course(s) and/or program(s) you are looking for.
