A Conversation on Anti-Semitism with Holocaust Survivor Mary Bauer
Tuesday March 26 1:00 – 2:15 Orientation Hall in SSC, [Zoom Webinar Available](#) (Passcode: 053482)
Holocaust survivor Mary Bauer was born in Budapest, Hungary in 1927. As a teenager, she was imprisoned first in the Ravensbrück Concentration Camp, and then in Auschwitz Concentration Camp from

1944-1945, where she endured a death march. Mary will come to SMC to speak about her experiences, and about the dangers of Anti-Semitism. Mary is one of the few remaining survivors of the atrocities perpetrated by the Nazis, and her keen wisdom and insights are instructive and inspiring. Don't miss this opportunity to hear her!

The ASCCC 2024 Curriculum Institute is now open for registration. Visit the [ASCCC website](#) for additional information, and the link to register.

IV. Approval of Minutes

Motion to approve the minutes of March 6, 2024 with no revisions.

Motion made by: Estela Narrie; **Seconded by:** Audra Wells

The motion passed with the following vote: Y: 18; N: 0; A: 1 Scott Silverman

V. Chair's Report

There was no Senate meeting last week, due to Professional Development Day. Items passed at the March 6, 2024 curriculum committee meeting will go to the Senate on March 26.

VI. Information Items

1. SLO Ambassador Project Update

Questions raised at today's meeting will be brought to Tech Review and updates/answers provided at the next Curriculum Committee meeting (April 1), including whether there will be new workflows created in META for the SLO/PLO mapping work being done, if the work will continue beyond one semester, and the scope of responsibility of the SLO ambassadors vs. the curriculum committee.

2. Cal-GETC Updates

Estela Narrie presented an overview of the Title 5 changes to the SMC GE pattern (including a mock-up of the new GE pattern), as well as the changes in transitioning from the IGETC/CSUGE to the new Cal-GETC. (see page 5-17 for the presentation)

There are still questions regarding which courses will be eligible for:

SMC GE: Area 1B Oral Communication and Critical Thinking

SMC GE: Area 6: Ethnic Studies

Cal-GETC Area 1C: Oral Communication

Cal-GETC Area 6: Ethnic Studies

The changes to the SMC GE do not bring them into exact alignment with the Cal-GETC, but counselors will advise students of which courses are eligible for both patterns/transfer vs. which courses meet local requirements only.

3. Program Map Update (IGETC Changes)

As of Fall 2023, IGETC added Area 7 (Ethnic Studies), so the maps have been updated to account for Area 7 (removing 1 Area 4 class and adding Area 7). The maps always show the most-current requirements (however, students with catalog rights are still able to complete prior versions (of the degrees/certificates/GE patterns for which they have catalog rights.)

VII. Action Items

There are no course/degree/certificate action items. This meeting will serve primarily as a discussion/inquiry for important curriculum business and changes, including the SLO Ambassador Project, Cal-GETC, SMC Global Citizenship, and the SMC GE Ethnic Studies area

VIII. New Business

None

IX. Old Business

SMC GE Global Citizenship Discussion

The committee discussed the timeline – holding a vote April 3 is not enough time for departmental discussions; the vote will be moved to May 1 or May 15. (*The May 29 meeting has been cancelled.*)

While the implementation of the new SMC GE pattern will be effective Fall 2025:

- Students will be enrolling in Fall 2025 courses during the Spring 2025 semester
- Databases/META/GE sheets/catalog/degree audit/WebSIS will need to be updated by Counseling/Admissions/IT/Rachel Demski, which takes work/time to implement once finalized
- Additionally, the changes will require approval by the Curriculum Committee, the Academic Senate, Board of Trustees, and revisions to the Board of Trustees Policies and Regulations

Committee members are encouraged to email Redelia/Dee Dee with any questions on data gathering (for Institutional Research) on information/data/rates of completion re: Global Citizenship

SMC GE Ethnic Studies Discussion

ETH ST 6, 7, and 8 for the Cal-GETC; ETH ST 8 is under review for IGETC/CSUGE (submitted last December); ETH ST 1 was the only course approved for IGETC/CSUGE prior (ETH ST 6 and 7 were denied, and will be updated/revised for resubmission to the Cal-GETC in December.

ETH ST 1, 6, 7, and 8 should be applicable for the SMC GE Ethnic Studies area once implemented.

The Ethnic Studies Task Force recommends any departments interested in offering/cross-listing a course into the Ethnic Studies discipline meets with the task force for discussion/guidance, and that any course submitted for Ethnic Studies should meet the minimum qualifications.

X. Adjournment

Motion to adjourn the meeting at 5:04 pm.

Motion made by: Aileen Huang; **Seconded by:** Estela Narrie

The motion passed unanimously.

- The Assembly Bill No. 928 Student Transfer Achievement Reform Act of 2021 established, until July 1, 2025, the Associate Degree for Transfer Intersegmental Implementation Committee ("AB 928 Committee") to serve as the primary entity charged with the oversight of the Associate Degree for Transfer ("ADT").
- Assembly Bill No. 928 (AB 928) states the following (bold emphases added):
- "The Associate Degree for Transfer Intersegmental Implementation Committee is hereby established for the following purposes:
- (1) To serve as the primary entity charged with the oversight of the associate degree for transfer for the **sole purpose of strengthening the pathway for students and to ensure it becomes the primary transfer pathway in California between campuses** of the California Community Colleges and the University of California, the California State University, and participating independent institutions of higher education defined in subdivision (b) of Section 66010, so that more students can avail themselves of the pathway's benefits. The oversight shall include, but is not limited to, all of the following:
 - (A) Ensuring a **reduction in the number of excess units** accumulated by California Community College students before transferring to four-year postsecondary educational institutions.
 - (B) **Eliminating repetition** of courses at four-year postsecondary educational institutions taken by California Community College students who successfully transfer into four-year postsecondary educational institutions.
 - (C) **Increasing the number of California Community College students who transfer** into a four-year postsecondary educational institution through an ADT pathway.
- (2) **To enhance coordination and communication** between four-year postsecondary educational institutions and the California Community Colleges by providing a venue by which they can regularly meet and address issues that are impeding the purpose described in paragraph (1).
- (3) To provide the Legislature and the Governor with recommendations to support the purpose described in paragraph (1)."
- **Will put everyone on an ADT Pathway, unless a student opts out.**
- **Transfer students will have to adhere to Cal-GETC standards unless they have catalog rights.**

IB Exam

CREDIT BY EXAM: INTERNATIONAL BACCALAUREATE (IB) EXAMS

NOTE: All exams must be Higher Level (HL)

A score of 5, 6, or 7 on Higher Level (HL) exams is required to grant credit for IGETC certification.

An acceptable IB score for IGETC equates to either 3 semester/4 quarter units for certification purposes.

For transfer purposes, UC will grant 5.3 semester/8 quarter units for each IB exam completed with a score of 5, 6, or 7 on HL exams.

CSU also grants unit credit for transfer purposes of IB HL exams.

Students who have earned credit for an IB exam should not take a comparable college course because transfer credit will NOT be granted for both.

Students may earn credit for International Baccalaureate (IB) exams with scores listed below for Higher Level (HL) exams.

IB credit can be used to meet the SMC GE requirements. An acceptable IB score is equivalent to 3 semester units or 4 quarter units.

UC and CSU campuses may award more units in transfer.

IB credit granted at SMC may differ from course credit and units granted by a transfer institution.
