SMC Proctoring Resolution 2<sup>nd</sup> Read (N. Donahue)

This item has been re-agendized in light of comments from the SMC Board of Trustees, who praised an earlier draft of the resolution and, in effect, mandated the creation of a proctoring center to serve as an alternative proctoring solution.

Senators expressed concerns about the “opt-out feature” and about the chronology of greenlighting the proctoring center before a policy has been developed. Senators discuss student concerns over transparency regarding which courses will be using Proctorio and about a meeting that took place over the winter break. N. Donahue encourages us to make sure Associated Students feel included in the future.
