VI. Information Items

a. Areas of Interest (G. Davis Del Piccolo)

Work over summer narrowed the focus of Student Care Teams (SCTs) on Black and Latinx students who are in college for the first time. The goals of these teams will be to increase term-to-term persistence, create a sense of belonging, and increase completion for Black and Latinx students. The “soft launch” of these teams will happen this semester, with a “full launch” in spring. Senators discuss how SCTs can support students online and the capacity of SCTs to meaningfully engage with all first-time-in-college Black and Latinx students enrolled at the college.

b. 2023-24 DPAC Action Plans (J. London)

J. London discusses new DPAC action plans, which are structured proposals for how goals will be achieved.

c. Senate Logistics (J. London)

J. London notes that senators should represent their electoral areas but also faculty as a whole. Senators should communicate goings on in the senate with their electoral areas and bring information back to senate. Senators should serve on one committee, schedule permitting.

Committees currently in need of members include:

- Information Services (needs chair)
- Social
- Professional Ethics and Responsibilities
- Sabbaticals
- Election and Rules
- New Faculty
- Professional Development
