

## Charge for Ad-Hoc Artificial Intelligence Committee

This Ad-Hoc committee of the Santa Monica College Academic Senate will convene to:

- Develop a faculty leadership framework to assist each department/division in the area of Artificial Intelligence (AI)

The committee's work is in response to the ongoing development of AI and its [impact on the working and learning environment](#).

The Ad-Hoc AI committee will make recommendations to the Senate for approval through established shared governance processes according to Senate bylaws by the conclusion of the 2023-24 academic year or the conclusion of its business and be dissolved at that time.
