

Auto-Enrollment Waitlist

Launching this April

Enrollment & Access

- Students join waitlist once a class is full
- Eligibility checks: no holds, zero balance, prerequisites met, no time conflicts, unit limits
- No more notification lists

Auto-Enrollment Logic

- Chronological — seat goes to #1 on waitlist if eligible
- Ineligible students skipped but notified of reasons
- Email confirmations when joining and when auto-enrolled
- Auto-enrolled students have until the next day to pay
