Recommendation to move forward with Discussion and Action Items rather than 1<sup>st</sup> and 2<sup>nd</sup> Reads. Moving to this process allows the Senate to move items along more quickly while still offering the ability to discuss items as the body desires.

b. Student Equity Plan

- i. SEAP Funding Distribution
- ii. 2021 - 2024 Expenditure Overview

Using the new methodology, gaps have been revealed that predominately impact our Black and Latinx students. Providing better support to students and faculty along with updating courses to close identified gaps is a priority. Providing specialized professional development, reimagining collaboration across programs and centers, and partnering with HR to equitize hiring and onboarding practices are some of the main ways these gaps will be addressed. Based on the tentative timeline, hoping to meet with the Board of Trustees in Nov/Dec. EPI Reports and Documents can be accessed online on the [Equity, Pathways, and Inclusions website](#).
