

Program Review Committee

This year the Program Review committee is reviewing the following programs for their comprehensive six-year review: Business Services, Facilities, Workforce and Economic Development and Contract Education, Art and Art History, Design Technology and IXD, Photography and Fashion, Cosmetology, Counseling, Library, Scholars, and Transfer and Articulation Services.

We are in Year 4 of the revamped Program Review. Efforts to strengthen and align program Review to SMC's other institutional planning processes have continued, with recommendations most recently being discussed within DPAC – District Planning and Advisory Council.
