## VI. Discussion Items

### a. PPC Update: AR 7120.1 (V. Arrizon)

Currently working on revising the procedures for hiring FT faculty with a focus on the language around and requirement of recommendation letters. Hotep Consultants recommended development of an internal process and guide on inclusive equitable practices with a paradigm shift from box-checking compliance to institutional transformation. Approximately 20% of applicants are not screened due to lack of recommendation letters while the majority of department chairs (60%) support the removal of RLs.

## VII. President's Report

- a. Ranking Committee Update – Still accepting volunteers for committee. If interested, please inform committee chair.
- b. GP Update – Meeting over winter and work on Guided Pathways has been positive with a focus on being more faculty-driven.
- c. SEM Plan and Retention – Everything in DPAC and policy is tied to retention. What we do in the classroom matters.
- d. DPAC Budget Committee – 2024-2025 is establishing a new base. The goal should be to take all viewpoints into account to approach the budget as a team moving the college forward.
- e. Other – Cesar Chavez holiday will be placed in the semester calendar instead of during spring break. The resolution supporting this was passed by the Senate two years ago. Additionally, suggestions are requested for renaming the organic garden.
