 Performance Period: October 1, 2021 with no specified end date, encourage rapid disbursement  
 Summary: To support districts with their student retention and enrollment outreach efforts, the 2021-22 budget provides additional funding as an extension of Senate Bill 85.  
 Since the beginning of the pandemic, enrollment statewide has declined significantly. Funds would be used to retain current students and re-engage former community college students that may have withdrawn from college due to the impacts of COVID-19. High touch, personalized contacts with target populations through the use of phone banks, student ambassador programs and other strategies would be at the center of outreach efforts. District outreach and marketing activities would be coordinated and aligned with statewide enrollment campaign efforts led by the Chancellors Office.

BOARD OF TRUSTEES	INFORMATION
Santa Monica Community College District	December 7, 2021

**INFORMATION ITEM NO. 21**

**SUBJECT:**                    **MARKETING AND ENROLLMENT STRATEGIES**

**SUBMITTED BY:**            Vice-President, Enrollment Development  
Senior Director, Government Relations/Institutional Communications

**SUMMARY:**                The enrollment landscape has been challenging for several years with the decline in high school graduates, as well as declines in international student enrollment in the United States. The strong economy prior to the onset of the pandemic also negatively impacted college going rates nationwide. Since the beginning of the pandemic, enrollment statewide has declined significantly, especially among Native American/Alaskan Native, Black/African American and Latinx students. At Santa Monica College the steepest declines have been seen in African American and Latinx students (especially AB 540 students) and international students.

Senate Bill 85 amended the Budget Act of 2020 by adding \$121.1 million in one-time local assistance funds that provide funding for immediate COVID-19 response and relief efforts where California community college and students need it most, while making investments for an equitable, inclusive and broad-based economic recovery. This included funds to support efforts to bolster CCC student retention rates and enrollment, which is submitted to the Board of Trustees for approval (Consent Agenda Item No. 10-B) in this agenda. These funds are focused on efforts to re-engage former students and retain current students and are focused on the populations with the steepest declines.

As provided in the guidance from the Chancellor’s Office, high touch, personalized contacts with target populations through the use of phone banks, student ambassador programs and other strategies should be at the center of outreach efforts. All college outreach and marketing activities should be coordinated and aligned with statewide enrollment campaign efforts led by the Chancellor’s Office and connected to the Immediate Action Budget Package. The Chancellor’s Office will develop marketing assets that can be customized by colleges, conduct research on messaging that will be shared with colleges and will keep colleges informed on the scope of statewide advertising and outreach activities, including media buying plans.

SMC has been engaged in aggressive outreach and marketing campaigns for many years and throughout the pandemic has pivoted to address the changing landscape. These additional resources will enable the college to implement enhanced marketing and outreach strategies. Additionally, the Strategic Enrollment Management Team, which includes representatives from throughout the college, has been working on a five-year strategic enrollment plan for over a year and the final plan is scheduled to be completed this spring.

**SUBMITTED BY:**            Superintendent/President

WHEREAS, on July 31, 2020, the Santa Monica College Community College District (“District” or “SMC”) notified the Santa Monica-Malibu Unified School District (“SMMUSD”) that SMMUSD was still the recorded fee simple owner of SMC’s Parking Lot 5; and

WHEREAS, SMC requested conveyance of the real property of Parking Lot 5 to SMC based on facts that the property was conveyed in 1962 at the time that SMMUSD and SMC were a single entity and that the property should have been conveyed to SMC at the time of legal separation of SMMUSD and SMC in 1970; and

WHEREAS, SMMUSD consulted with the Los Angeles County Committee on School District Organization (“County Committee”) who indicated their belief that the property should have been transferred to SMC and that the County Committee did not object to the proposed conveyance; and

WHEREAS, the California Department of Education confirmed that it did not object to the proposed transfer of the property to SMC; and

WHEREAS, SMMUSD has provided SMC with a signed and notarized Quitclaim Deed for Lot 5; and
