**IV. Has the district settled any employee contracts during this quarter?**

**NO**

**V. Did the district have significant events for the quarter (include incurrence of long-term debt, settlement of audit findings or legal suits, significant differences in budgeted revenues or expenditures, borrowing of funds (TRANS), issuance of COPs, etc.)?**

**NO**

If yes, list events and their financial ramifications.

**VI. Does the district have significant fiscal problems that must be addressed?**

**This Year?**

**YES**

If yes, what are the problems and what actions will be taken?

**Next Year?**

**YES**

The District is experiencing a decrease in non-resident enrollment, which represents around 12.5% of the total revenues. Additionally, resident student enrollment is not recovering as expected which will result in the District not emerging from hold harmless as soon as was projected. The District is continuing its increased outreach efforts to improve enrollment, cost reduction measures already put in place and will need to develop new cost reduction measures for implementation in the current and 2025-2026 fiscal year. With the ending of Hold Harmless provision in 2025-26, effectively freezing State unrestricted funding, and with enrollment still recovering from the pandemic, the structural deficit is projected to increase significantly in 2025-2026 requiring the District to take immediate actions to balance the budget moving forward.
