GENERAL FUND

The 2024-2025 fiscal year is projected to close with an Unrestricted General Fund ending balance, including Designated Reserves, of \$23,265,823

For the 2025-2026 tentative budget, the District is projecting a decrease in revenue of **<2.79%>** or **<\$6,417,909>** and an increase in expenditures of 0.11% or \$266,326. The decrease in revenue is primarily due to funding from Recovery Block Grant for student fee forgiveness and a higher reimbursement rate for Part-time Office Hours in FY 2024-2025 which will not repeat in 2025-2026. Expenditures are projected to increase primarily due to salary step, column and longevity increases, increases in health and welfare premiums, net of decrease in expenditures due to the ending of supplemental retirement plan installment payments and the implementation of budget reduction measures in FY 2025-2026 which include reduction in hourly instruction and non-instruction, budget reduction on discretionary expenses and attrition. These changes are projected to result in a structural deficit of **<\$10,958,597>** and, with the inclusion of one-time items, an overall operating deficit of **<\$10,572,373>** resulting in an ending Unrestricted Fund Balance of \$12,693,450 or 5.42% of total expenditures and transfers.

It is important to note that the revenue projections contained in the tentative budget are based on District projections of the proposals contained within the May Revise and are extremely preliminary. It is expected that variances, possibly significant in nature, will occur between the tentative and adopted budgets.

General Fund Unrestricted Revenues (01.0)

These are the only funds available for the general operations of the College. All other funds are restricted except some parts of the Auxiliary fund.

The tentative budget also reflects a projected increase in enrollment for resident credit FTES of 430.91 FTES or 2.5% from FY 2024-2025 levels.

The largest source of revenue for the District is Apportionment from the State. The revenue sources for Apportionment are a combination of property taxes, enrollment fees, funding from the Education Protection Account and general apportionment funds. The apportionment allocation for each district is calculated through the Student Centered Funding Formula (SCFF). The SCFF calculates Apportionment based on three main factors: base allocation (*enrollment*), supplemental allocation (*number of students receiving financial aid*), and the student success allocation (*number of student success outcome achieved*). The formula stipulates that for the fiscal years of 2018-19 through 2024-2025, the District will be funded at the greater of the amount calculated under the SCFF or at a “Hold Harmless” amount which is equal to the 2017-2018 funding level adjusted for COLA. The 2022-2023 Budget Act extended the revenue protections in a modified form where starting in 2025-2026, districts would continue to receive funding at the greater of the 2024-2025 funding level, referred to as the “funding floor” without further COLA increases, or the amount calculated under the SCFF. For FY 2025-2026 Tentative Budget, the District’s calculated total computational revenue is lower than the funding floor. As such, the District will not be receiving the COLA increase proposed in the Governor’s FY 2025-2026 May Revision of 2.3%, or \$3,881,028.

The Local Revenue section of the budget contains Non-resident Tuition, the District’s largest revenue source outside of Principal Apportionment. The Nonresident Tuition line item includes both revenues generated from Non-resident Tuition and revenue from special Intensive ESL classes for international students. For 2025-2026, the District projects an decrease in non-resident FTES of <213.95> or <6.99%>, and an increase of non-resident tuition fee from the prior year rate of \$374 per unit to \$398 per unit resulting in a projected revenue decrease of ~\$300,000 in Non-resident Tuition in 2025-2026 from the prior year. The remaining local revenue categories include property taxes, enrollment fees, student fees, interest, rental of facilities, etc.

General Fund Unrestricted Expenditures (01.0)

The District’s largest expenditures (91.1% of the total budget) are related to salary and benefits. The salary and benefit related expenditure projections reflect appropriate step, column and longevity increases for all qualified employees and projected budget reductions in hourly instruction and non-instruction, attrition and the ending of the supplemental plan installment payments.

The discretionary section of the expenditure budget (Supplies, Service, Utilities and Capital) reflects an decrease of <2.3%> or \$<\$426,726> from FY 2024-2025 projected expenditures due to the implementation of budget reduction measures which include 5% reduction in discretionary expenses and shifting the funding of Big Blue Bus.

The amount of \$10,865,302 for the Contracts/Services line item in the tentative budget includes: Advertising 18%; Bank Fees and Bad Debt 14%; Repairs of Equipment/Maintenance 10%; Software Licensing 10%; Other Contract Services 8%; Consultants 5%; Managed Print Services 5%; Off-Campus Printing 4%; Legal Services (including those for the Personnel Commission) 4%; Professional Growth 4%; Postage and Delivery Services 4%; LACOE Contracts (i.e. HRS, BEST) 3%; Recruiting-Students 2%; Rent/Lease 2%; Audit 1%; Memberships and Dues 1%; and Other Services – all under 1% of budget per category (e.g. Board Meetings, Commencement, Conference and Training, Fingerprinting, Mileage, Repairs-Facility, etc.) 5%.

Linking Budget and Planning

The District Planning and Advisory Council (DPAC) is the District’s primary planning body and is responsible for developing the annual Master Plan for Education Update, overseeing long-term

planning efforts, reviewing the Vision, Mission, Values and Goals, assessing the Colleges' planning process and developing new Strategic Initiatives. For fiscal year 2025-2026, the following action plans have been recommended by DPAC and approved by the Superintendent/President for inclusion in the Tentative Budget:

Develop a Climate Action Plan

Budget: \$13,000

Purpose/Goal of Action Plan:

The Climate Action Plan shall establish a framework for achieving the climate and sustainability goals that the college and Chancellor's office have committed to, and that state and local laws require. The plan will also help the District to reduce costs, improve building occupant comfort, reduce liabilities, decrease equity gaps, address student's basic needs, provide environmental literacy, and drive enrollment. Flexibility within the plan will allow departments to choose the pace and actions they will take to meet goals and laws, and will provide for unforeseen changes, while maintaining integrity of the proposal's vision and goals. The plan will include the need for an Integrated Energy Master Plan and staff to achieve goals.

RESTRICTED FUNDS

General Fund Restricted (01.3)

This fund represents restricted funding that is received by the District from Federal, State, and Local sources. All grants that do not end by June 30, 2026, will be carried over to the FY 2026-2027 budget, if permissible.

The projected ending fund balance is generated from six restricted programs as required by Generally Accepted Accounting Principles: Proposition 20 Lottery, Contract Education, Parking Fees, Community Services, Health and Psychological Services and the SMC Performing Arts Center. These funds are restricted and can not be used for any other purpose than specified by law or action of the Board of Trustees.

When received, new grants will be presented to the Board of Trustees for approval, and the District's budget will be augmented to reflect the increase.

Special Reserve Fund (40.0) Capital

This fund is also known as the Capital Outlay Fund. The major source of revenue for this fund is the reimbursement from State Capital Outlay, RDA pass-thru property tax, and non-resident capital surcharge. These funds are used for capital outlay related projects, District equipment purchases and any required expenditure matches to State capital outlay funding. State funding for capital projects are also accounted for in this fund.

All capital expenditures and revenue in the Special Reserve Fund, as well as Funds 42.4 and 42.5 reflect the total expenditure allocation and the total revenue for all projects and are not limited to the current year, thus resulting in a zero ending balance. These funds are legally restricted and may not be transferred into the unrestricted general fund.

Bond Fund Measure AA (42.4)

This fund reflects the revenue from the sale of bonds approved through Measure AA and the interest earned in the fund. The expenditures in this fund relate to the College construction plan approved under Measure AA.

Bond Fund Measure V (42.5)

This fund reflects the revenue from the sale of bonds approved through Measure V and the interest earned in the fund. The expenditures in this fund relate to the College construction plan approved under Measure V.

Bond Interest and Redemption Fund (48.0)

This fund is administered by the County of Los Angeles Department of Auditor-Controller. It reflects the receipt of property tax revenues due to voted indebtedness for bond issues, the payment of interest on those bonds, plus the redemption of the bonds that mature within the 2025-2026 fiscal year. This information is provided by the County of Los Angeles Department of Auditor-Controller through the Los Angeles County Office of Education.

Student Financial Aid Fund (74.0)

This fund consists of all student financial aid programs (PELL, SEOG, Loans, Cal Grants, Santa Monica College Promise, Student Success Completion, California Chafee Grant and Middle Class Scholarship. The transfer line items reflect a transfer from the Unrestricted General Fund to meet the match requirements of the individual grant programs. For FY 2025-2026 award year, the District is granted a waiver of the institutional share requirement under the Federal Work Study (FWS) Program and the Federal Supplemental Educational Opportunity Grant (FSEOG) Program.

Scholarship Trust Fund (75.0)

This fund is to account for gifts, donations, bequests, and devises (subject to donor restrictions) which are to be used for scholarships or for grants in aid to students.

Auxiliary Operations

This budget reflects the revenue and expenditures of the auxiliary operations of the District, namely the Bookstore, the food and vending concessions, and college expenditures in programs such as Athletics, Music, Theatre Arts, the *Corsair* student newspaper and transportation.

CONCLUSION

This is the tentative budget recommended for acceptance. It is expected that changes will occur between now and the Adopted Budget. Some changes will be the result of the passage of the State budget, and others will be internal adjustments resulting from new or updated revenue information and expenditure reduction efforts.
