Individuals wishing to speak directly to the Board can do so in one of several ways:

It is recommended that Individuals wishing to speak at a Board of Trustees webinar send an email to the Recording Secretary (Rose_Lisa@smc.edu) by 4:00 p.m. for the Closed Session beginning at 4:30 p.m. or by 5:30 p.m. for the regular session starting at 6:00 p.m. The email should contain the subject line "Board Meeting Comments" and include the following information in the body of the email:

Reviewed by: Tre'Shawn Hall-Baker, Dean, Human Resources
Approved by: Sherri Lee-Lewis, Vice President, Human Resources

The revised Santa Monica Community College District 2025-2026 Calendar is presented for approval (see following page).

Comment: The primary change to the 2025-2026 calendar is the Cesar Chavez Holiday moved from the first day of Spring break to March 31st. The calendar committee recommended that the holiday be moved to as close as possible to the national holiday starting March 31, 2026 which happens to fall on Cesar Chavez' actual birthday in 2026. The Faculty Association and CSEA both agreed with the recommendation.

BACKGROUND:

Assembly Bill 481 (AB 481), codified at Government Code sections 7070 through 7075 requires each law enforcement agency (LEA) to obtain approval from the applicable governing body, via adoption of a military equipment use policy by ordinance/resolution, prior to that LEA funding, acquiring, or using military equipment. AB 481 went into effect January 1, 2022, and set a deadline of May 1, 2022 for each law enforcement agency to begin the process of obtaining such approval, otherwise, the LEA can no longer use existing equipment. Additionally, all military equipment use policies must be reviewed annually after adoption and re-adopted following a community engagement process and annual reporting. Once a policy is adopted, a LEA cannot procure military equipment that is not in the authorized policy, without first revising the policy, which is done by ordinance following a public meeting.

The term “military equipment”, as used in AB 481, in fact does not necessarily indicate equipment that has been used by the military. Pursuant to AB 481, items deemed to be “military equipment” include, but are not limited to, unmanned aerial or ground vehicles, armored vehicles, command and control vehicles, pepper balls, less lethal shotguns, less lethal 40mm projectile launchers, long range acoustic devices, and flashbangs.

Items deemed to be “military equipment” by AB 481 are used as part of overall best practices for LEAs throughout the country. These tools have been tested in the field and are used by LEAs to enhance community safety and officer safety. Loss of these items would jeopardize the welfare of communities and peace officers within the SMCPD.

The Santa Monica College Police Department (SMCPD) now seeks the Santa Monica Community College District Board of Trustees' adoption of the attached Military Equipment Use Policy 706, in order to allow SMCPD to continue to use the current inventory, previously purchased prior the enactment of AB 481, of enhanced patrol rifles, kinetic energy weapons, and their respective ammunition. SMCPD is committed to using the necessary and most up-to-date tools and equipment to safeguard our college communities.

The items deemed to be "military equipment" by AB 481 are employed by SMCPD, and other LEAs across the country, in order to specifically reduce risk to community members. By equipping campus police with the noted equipment, colleges can ensure a rapid, appropriate, and measured response to an emergency, safeguarding the campus community while minimizing unnecessary harm.

ANALYSIS:

SMCPD seeks approval of a military equipment use policy so that it can continue to make use of the following equipment:

Category Number and Description	SMCPD
Category 9 – Specialized firearms and ammunition of less than .50 caliber, including assault weapons as defined in Sections 30510 and 30514 of the Penal Code	
Colt Enhanced Patrol Rifle EPR (16")	10
Winchester Law Enforcement Ammunition (Remington .223) – Duty Ammunition Rounds	1600
Winchester Law Enforcement Ammunition (Remington .223 Frangible Lead Free) – Practice Ammunition Rounds	11,000
Category 12 – Munitions containing tear gas or O.C., excluding standard, service-issued hand-held pepper spray	
FN Herstal 303 PAVA/OC Powder Projectile Rounds	150
Category 14 - Kinetic energy weapons and munitions	
FN Herstal 303 Launcher	2

There is significant interest in ensuring that law enforcement continues to have access to equipment that will provide peace officers as many options as possible to safeguard lives, ensure safety, and protect civil liberties. The use of the tools identified below are vital to the SMCPD mission and will continue to be strictly regulated through internal processes and oversight.

The proposed resolution would approve SMPCD Policy 706, "Military Equipment." Policy 706 outlines each piece of the above military equipment that is currently owned by SMCPD. The policy also includes the current authorized uses of each item. These particular items, and their stated authorized uses, have been in place prior to the enactment of AB 481. As outlined in the Department's AB481 equipment report, the Department seeks approval of Policy 706 and its current inventory noted in the report.

The proposed Policy 706, "Military Equipment," safeguards the public's welfare, safety, civil rights and civil liberties. Policy 706 ensures that there are safeguards, including transparency, oversight, and accountability measures in place. SMCPD will conduct an annual audit of military equipment. Violations of Policy 706 will be corrected when discovered, in accordance with existing Department policy. Members of the public are provided direction per the policy on how to register complaints for violations. All items which result in a use of force will be investigated, as is already required by existing SMCPD policy.

There are no reasonable alternatives to the adoption of a military equipment use policy. SMCPD has not discovered alternative items that can achieve the same objectives of officer and civilian safety.

In order to adopt the proposed resolution, the Board of Trustees has to review the Department's equipment and future annual reports, and make the following findings required by Government Code 7071:

- A. The military equipment is necessary because there is no reasonable alternative that can achieve the same objective of officer and civilian safety.
- B. The proposed military equipment use policy will safeguard the public's welfare, safety, civil rights, and civil liberties.
- C. If purchasing the equipment, the equipment is reasonably cost effective compared to available alternatives that can achieve the same objective of officer and civilian safety.
- D. Prior military equipment use complied with the military equipment use policy that was in effect at the time, or if prior uses did not comply with the accompanying military equipment use policy, corrective action has been taken to remedy non-conforming uses and ensure future compliance.

**A RESOLUTION OF THE BOARD OF TRUSTEES OF THE SANTA MONICA COMMUNITY
COLLEGE DISTRICT APPROVING "MILITARY EQUIPMENT POLICY" IN COMPLIANCE
WITH GOVERNMENT CODE SECTIONS 7070 - 7074**

WHEREAS, AB 481 seeks to provide transparency, oversight, and an opportunity for meaningful public input on decisions regarding whether and how military equipment is funded, acquired, or used; and

WHEREAS, the Santa Monica College Police Department is in possession of certain items that qualify as "military equipment" under AB 481; and

WHEREAS, AB 481 requires that a law enforcement agency possessing, and using such qualifying equipment prepare a publicly released, written, military equipment use policy covering the inventory, description, purpose, use, acquisition, maintenance, fiscal impacts, procedures, training, oversight, and complaint process, applicable to the department's use of such equipment; and

WHEREAS, the Santa Monica College Police Department's Policy and supporting information must be approved by the governing body by resolution, and reviewed annually; and

WHEREAS, the Board, having received the information required under AB 481 regarding the Santa Monica College Police Department's use of military equipment as defined in said law, deems it to be in the best interest of the district to approve the Military Equipment Policy as set forth herein; and

WHEREAS, the Board also recognizes that other California law enforcement agencies may be requested or required to act in the performance of their duties within the territorial jurisdiction of this governing body; and

WHEREAS, the Board authorizes those law enforcement agencies who have complied with the requirements of AB 481, to use all military equipment that has been authorized for their use by their governing body.

NOW, THEREFORE, BE IT RESOLVED that the Board of Trustees has made the following determinations:

1. The military equipment inventoried, requested, and presented by the Santa Monica Police Department to the Board, is necessary because there is no reasonable alternative that can achieve the same objective of officer and civilian safety.

3. The equipment is reasonably cost effective compared to the alternatives that can achieve the same objective of officer and civilian safety (if any).

5. The Santa Monica College Police Department has submitted a proposed Policy to the Board and has made those documents available on the Police Department's website for at least 30 days prior to the public hearing concerning the military equipment at issue.

6. The Policy was considered by the Board as an agency item in an open session of a regular meeting, noticed in accordance with Ralph M. Brown Act, at which public comment was permitted.

7. The Policy shall be made publicly available on the Santa Monica College Police Department's website for as long as the military equipment is available for use.

8. The Santa Monica College Police Department shall submit an annual military equipment report to the Board, containing the information required in Government Code Section 7072, and the Board shall determine whether each type of military equipment identified in the report has complied with the standards for approval set forth above.

9. The Board shall review this resolution, and vote on whether to renew it, on an annual basis at a regular meeting, in accordance with Government Code Section 7071(e)(2).

10. The Board approves the use of the Policy and finds that it satisfies the requirements of Government Code Section 7070(d).

BP 6620 NAMING OF FACILITIES

The District may name District buildings, definable portions of buildings and District grounds including but not limited to foyers, wings, classrooms, conference rooms, labs, offices, studios, auditoria, theaters, dining commons, campuses, plazas, courtyards, quads, gardens, fountains, bell or clock towers, gates, artwork, athletic fields and facilities, campus entries, trees and other plantings, benches, plaques, bricks or tiles in honor of persons or entities. The naming must be consistent with the District's role as a public institution and shall reflect the District's and community's values. The Board of Trustees shall have the final responsibility for the naming of facilities.

Each proposal for naming a District facility shall be considered on its own merits. A financial gift does not automatically result in the naming of a building and no commitment to naming shall be made prior to Board approval of the proposed naming.

All proposals for naming a District facility shall comply with the following criteria:

- Proposals may honor people or organizations who have supported the college through a gift of funds.
- Proposals may honor people who have supported the college through exemplary service.
- Persons currently in publicly elected office or currently employed by the District cannot be considered.
