

BP 5030

Board Policy
Chapter 5 – Student Services

BP 5030 FEES

The Board of Trustees shall determine all fees which are within the legal permissible limits to be levied by the District to include, but are not limited to:

- Parking fees
- Non-resident tuition fees
- Transcript fees
- Returned check charges
- Refund fees

Such fees shall be stated in the schedule of classes.

The Board of Trustees authorizes the determination of parking fees as recommended by the Superintendent/President for students and staff in accordance with the provisions as stated in the Education Code.

Reference: Education Code Section 76391

The Board of Trustees authorizes the determination of course materials fees as recommended by the Superintendent/President provided that the total fees collected for a particular course shall not exceed the cost of materials used in that course.
