

# REDESIGNING THE STUDENT EXPERIENCE: A GUIDED PATHWAYS FRAMEWORK

# REDESIGNING THE STUDENT EXPERIENCE: A GUIDED PATHWAYS FRAMEWORK

- SMC's Redesign of the Student Experience seeks to:
  - reduce/eliminate racial equity gaps
  - reduce time to completion
  - increase rates of completion

# 9 AREAS OF SMC'S REDESIGN GOALS

## 1: Program Maps

2: Areas of Interest

3: Student Support

4: Critical and Gateway Courses

5: Scheduling/Enrollment

6: Student-Facing Technology

7: Communication and Outreach

8: Professional Development

9: Campus Community

# MAPPING DAYS

# PROGRAM MAPS

- Mapping Teams (for Mapping Days):
  - instructional program faculty,
  - counselor,
  - curriculum committee representative, and
  - student
- Maps vetted by counseling team based on Area of Interest
- Returned to program faculty for approval
- Approved by Curriculum Committee
  - 121 maps have been approved)
- Public facing maps published in August, 2021 (via Curriqnet/META)
