Object Code	Description	Net Amount of Transfer
1000	Academic Salaries	0
2000	Classified/Student Salaries	-3,500
3000	Benefits	0
4000	Supplies	16,865
5000	Contract Services/Operating Expenses	21,350
6000	Sites/Buildings/Equipment	-37,246
7000	Student Payments	2,531
Net Total:		0

Comment: The Adopted Budget needs to be amended to reflect the totals of the departmental budgets. The change-over to the new computer system used by the Los Angeles County Office of Education resulted in delays in some of the budget adjustments. Only the net amount of the transfers in or out of the object codes is shown. In addition to the budget adjustments, transfers result from requests by managers to adjust budgets to meet changing needs during the course of the year. The increase in the 6000 account for equipment is because of a reclassification of the copier rentals to lease purchases. The reduction in the 1000 account for academic salaries reflects the unplanned savings from classes not being needed.
