MAJOR ITEMS OF BUSINESS

RECOMMENDATION NO. 1

**SUBJECT:** **INSTRUCTIONAL SERVICES AGREEMENT WITH COMPTON COMMUNITY COLLEGE**

**SUBMITTED BY:** Superintendent/President

**REQUESTED ACTION:** It is recommended that the Board of Trustees approve an Instructional Services Agreement with the Compton Community College District for Santa Monica College to provide credit and noncredit instruction for two five-week summer sessions, scheduled between June 13, 2006 and August 22, 2006, at Compton Community College.

Elements of the Instructional Services Agreement include:

- Santa Monica College will be responsible for all aspects of the Compton Community College Summer 2006 instructional program.
- Compton Community College will provide admissions services, registration services, financial aid services, and all categorical program and support services for students.
- Santa Monica College will issue offers of employment to summer intersession faculty members assigned by Compton Community College. While SMC will be responsible for all direct instructional activities, these faculty members do not become employees of SMC, do not become members of the SMC Faculty Association, and will be compensated according to the current Compton Community College faculty schedule.
- Santa Monica will receive the FTES revenue generated by the two summer sessions.
- SMC will compensate Compton Community College for the cost of summer session faculty salaries, instructional support expenses (at 8% of faculty salaries), and for the lease (in the amount of \$1) of summer intersession classrooms.
- In the event that Compton Community College summer FTES apportionment falls below 500 FTES, Santa Monica College will be held harmless.

Comment: The Accrediting Commission for Community and Junior Colleges (ACCJC) has taken action to terminate the accreditation of Compton Community College. If the previous actions of the Accrediting Commission are upheld in an appeal hearing now scheduled for June 14, Compton Community College will be unable to offer accredited instruction for its scheduled summer sessions. Santa Monica College has been asked to function as a partner institution to provide administrative supervision for and

direct all summer session instructional  
activities.
