

BOARD OF TRUSTEES	ACTION
SANTA MONICA COMMUNITY COLLEGE DISTRICT	August 6, 2019

**MAJOR ITEMS OF BUSINESS**

**RECOMMENDATION NO. 21**

**SUBJECT:** **ADOPTION OF EDUCATION PROTECTION ACCOUNT (EPA-PROP 55, AN EXTENSION OF PROP 30) EXPENDITURE PLAN**

**SUBMITTED BY:** Vice-President, Business and Administration

**REQUESTED ACTION:** It is recommended that the Board of Trustees approve the revised plan to expend the 2018-2019 Education Protection Account (EPA) funds of \$19,370,268 on instructional salaries.

**SUMMARY:** Proposition 55, The California Children’s Education and Health Care Protection Act of 2016, which was an extension of Proposition 30, temporarily raises the income tax rate for upper-income-earners through 2030-31 to fund the State’s Educational Protection Account which provides funding for local school districts and community colleges.

Under Proposition 55, Districts have sole authority to determine how the moneys received from the EPA are spent, provided that the governing board makes these spending determinations in open session of a public meeting of the governing board. Each entity receiving funds must annually publish on its web site an accounting of how much money was received from the EPA and how that money was spent. Additionally, the annual independent financial and compliance audit required of community colleges shall ascertain and verify whether the funds provided by the EPA have been properly disbursed and expended as required by law.

This recommendation is submitted to comply with Proposition 55 provisions requiring the governing board to make the spending determination in an open session of a public meeting of the governing board. The estimated EPA that our District will receive for 2018-2019, as of P2, is \$19,523,072. Accordingly, the amount of EPA funds as of the recalculation of apportionment for 2017-18 decreased from the prior year P2 amount of \$17,177,447 to \$17,024,643 or a decrease of \$152,804. The entire amount for 2018-19 less the adjustment in 2017-18 will be spent on instructional salaries. The EPA funds are NOT additional funds but rather are components of the “computational revenue” calculations and will be offset by a decrease in apportionment funding received by the State.
