The General Advisory Board is an advisory group comprised of representative community members interested in the concerns of the College. The General Advisory Board provides a valuable resource to the College and its prime functions are:

1. To provide the college with community participation in the various aspects of college activities, primarily through participation in periodic general meetings and as the need arises through service on specific college committees.
2. To become better informed about the college through general meetings.
3. To act as informed college ambassadors to the community by extending and sharing their knowledge of the college with a broader population.
