

## **Research Agenda for Fall 2005**

Respectfully Submitted to the District Planning and Advisory Committee:

### **Objective of Research Advisory Committee:**

The objective of the committee is to bring the research needs of the college forward in one forum where they can be discussed and prioritized. The group will work in coordination with other campus committees, such as DPAC, to disseminate the information and bring information from other committees back to the group. The group, by definition, is an ad-hoc committee with members from the college who participate in the need for research, or have expertise to advise the group on specific research matters.

Committee Chair: Jacqueline Nagatsuka

Members of the Committee:

Teresita Rodriguez, Brenda Benson, Esau Tovar, Leonard Crawford, Celena Alcala, Laurie McQuay-Peninger, Katharine Muller, Patricia Burson, Dianne Berman, Dan Nannini, Darryl Keith Ogata, Mona Martin, Jocelyn Chong, Fran Manion, Susan Sterr Lesley Kawaguchi, Janet Harclerode, Esther Hugo
