

GOAL 1. Student Success

OBJECTIVE 5: *To coordinate tutor training and tutoring labs more effectively.*
(Academic Affairs)

- Dean, Learning Resources has had discussions with Executive VP, VP of Academic Affairs, tutoring coordinators for Science and Modern Language and Chair of Math Department regarding tutoring needs and coordination of tutoring centers.
- Meeting of tutoring coordinators and supervisors for four main tutoring labs (English/Humanities, Math, Modern Languages and Science) is planned for Spring 2006. Agenda items will include determining standardized data collection, review of 1999 tutoring survey and 2001 Coordinating Council recommendations on tutoring services, tutor training needs, and possible development of an online tutor training program.
- Dean, Learning Resources has had discussion with Dean of Health Sciences to discuss tutoring needs of nursing students.
- Dean, Learning Resources will form a working group to better define tutoring issues, methods for promoting tutoring services and instituting data gathering mechanisms.
