

PROPOSED REVISION 6-14-17

Santa Monica College provides a safe, inclusive, and dynamic learning environment that encourages personal and intellectual exploration -- one that challenges and supports students in achieving their education goals. Students learn to contribute to the local and global community as they develop an understanding of their relationship to diverse social, cultural, political, economic, technological, and natural environments. The College recognizes that each individual makes a critical contribution to the achievement of this mission.

Santa Monica College's academic programs and support services are intended to serve diverse individuals from the local, national, and global community who are seeking high-quality, affordable undergraduate education. The College offers Associate degrees and certificates, a baccalaureate degree, and streamlined pathways for transfer to university and career training. The College promotes a commitment to life-long learning among students and the communities it serves.
