## **I. Call to Order**

## **II. Public Comments**

Public comments received from Hunter Baoengstrum: Hunter Baoengstrum has been a student at SMC for 3 years, and brought up concerns regarding the armrests added to many of the campus benches is an example of a design element that does not align with SMC as an inclusive environment for homeless students. He spoke to the example of benches with small armrests that are there to prevent people from lying on the benches. He feels that this is a poor message for the campus when the campus states that they do a lot for the homeless students.

- Action Item: Gather information regarding benches and policy.

## **III. Approval of Minutes**

Approval of February 11th, 2021 Minutes: Catherine Matheson moved to approve minutes, Judy Marasco 2<sup>nd</sup> the motion. The minutes passed.
