- (A) Lack of measurable progress, or
- (B) Inappropriate use of services.

Measurable Progress

A lack of measurable progress is defined as either:

1. Failure to meet the academic standards outlined in AR 4342 Probation and Disqualification, standards established by the College, or
2. No progress for two consecutive semesters with the goals outlined in the DSPS Student Educational Contract (SEC) when enrolled in special, non-credit courses.

Inappropriate Use of Services

Inappropriate use of services is a failure to comply with the policies and procedures of service provision that a qualified student has been authorized to use. Failure to comply with the terms stated within each specific service provision area may result in suspension or termination of that specific service in the following ways:

1. Only services that have been used inappropriately may be suspended or terminated during an enrolled term, and only for the duration of the term.
2. The student shall be notified in writing prior to the suspension or the termination of said service. The student may file a written appeal addressed to the ADA Compliance Officer within 10 working days following the date of the notice. The ADA Compliance Officer or his/her designee will render the final decision within 10 working days and notify the student in writing of said decision.
3. As with all requests for service, authorization of services in subsequent terms will follow the Academic Adjustments for Students with Disabilities (AR 4115).
