

## Memorandum of Understanding

This Memorandum of Understanding ("MOU") is entered into by and between the Santa Monica Community College District (the "District") and the California School Employees Association Chapter 36 ("CSEA") as of this

~~17th day of November, 2011~~

*1st December BR-MW*

WHEREAS, the California Community College system faces budget cuts; and

WHEREAS, many educational institutions in California have implemented job furloughs and layoffs in response to the reduction in funding; and

WHEREAS, Santa Monica College is attempting to confront the significant shortfall in funding through approaches that do not result in reductions in hours or loss of jobs for its permanent workforce; and

WHEREAS, to reduce expenditures, Santa Monica College has reduced its Winter session by reducing the number of classes offered and eliminating evening classes;

WHEREAS, the reduced Winter session schedule requires that the hours and locations of certain classified employees be changed to accommodate this reduced schedule since no work would exist for certain employees if current schedules and locations were maintained;

WHEREAS, CSEA and the District have met and conferred concerning this matter and have reached an agreement to implement schedule changes for the Winter session so that no classified employee suffers a loss of wages,

NOW, THEREFORE, the District and CSEA agree as follows:

1. The hours and locations of the employees listed in Exhibit "A" attached hereto may be changed as set forth therein during the period from January 3, 2012, to February 9, 2012 ("Winter Session"). The hours and locations for these employees shall return to the schedule in effect prior to the change at the beginning of the Spring Semester on February 13, 2012. In the event that such a schedule change results in an unfair hardship to an employee, District and CSEA shall meet and confer to try to find a mutually agreed alternative to the change in schedule.
2. Any stipend that an employee is receiving pursuant to the collective bargaining agreement between CSEA and the District shall continue to be paid during the Winter Session notwithstanding the temporary change in working hours. It is the intent of the parties that any employee who works the revised schedule shall not suffer a loss of pay as result of this Agreement.
3. During the Winter Session, Parking Enforcement Officers shall be provided with communication equipment when working by themselves and, if working together, at least one of them shall have communication equipment.
4. Upon request, the District agrees to approve an Unpaid Leave of Absence during Winter Session for any employee whose hours are being changed from an evening shift to a daytime shift as set forth in Exhibit A. Notwithstanding Section 7.10.2 of the collective bargaining agreement, the District will

pay the full premium for health insurance benefits during such unpaid leave. Notwithstanding any other provision of the collective bargaining agreement, any employee who takes such an Unpaid Leave of Absence during the Winter Session shall be deemed in paid status for purpose of calculating seniority and longevity.

5. Upon request, the District will consider approving an Unpaid Leave of Absence for all or part of the Winter Session for any employee not set forth in Exhibit A. Notwithstanding Section 7.10.2 of the collective bargaining agreement, the District will pay the full premium for health insurance benefits during such unpaid leave. Notwithstanding any other provision of the collective bargaining agreement, any employee who takes such an Unpaid Leave of Absence during the Winter Session shall be deemed in paid status for purpose of calculating seniority and longevity.
6. In the event there is insufficient work within the Shuttle Driver job classification during the Winter Session, any such employee shall be reassigned to job duties that are consistent with his or her abilities as determined by the Vice President of Human Resources after consultation with CSEA. If there is insufficient shuttle work available, any shuttle work shall be assigned on a seniority basis.
7. Employees with the job classification of Shuttle Driver will be offered any driving work, (the operation of any District or rented vehicle in which employees or students , including athletic teams, are transported) before any part-time, temporary , provisional or substitute employee or outside contractor is engaged for that purpose.
8. In the event the District makes a request to change the schedule of any employee who is not set forth in Exhibit "A," such schedule change shall require the approval of CSEA and the employee. In the event that either CSEA or the employee do not agree to the schedule change, the employee shall perform work during his or her normal schedule.
9. It is the intent of this agreement that all employees have the right to work the same number of hours during the Winter Session as they currently work. In the event the exhibits attached hereto are in error, the District and CSEA shall by mutual agreement adjust the hours to correct the error.
10. Any employee who has indicated an intention to take vacation time or a leave of absence may elect to work by cancelling the scheduled vacation time or the leave of absence in accordance with established District policies.
